

Platform Lifts

Aritco 7000

Aritco 9000

Aritco 7000 & 9000 Prime Collection

Two lifts designed to meet the quality, safety and service requirements for accessibility and movement in tough environments such as schools and commercial and residential buildings. The 9000 lift is complete with an internal cabin and automatic run.

Advantages offered:

- Design, sizes and options for public environments
- 'A' Rated energy consumption
- 95% Recyclable materials
- Patented screw/nut technology (no oil leaks)
- The lowest maintenance and operating costs on the market
- Hold to run from control panel: 7000
- Automatic 'one touch' cabin control 9000
